

**Under 10s**

The Under 10s are the club's youngest competitive team. They play &quot;Kwik Cricket&quot; and participate in the district's &quot;Kwik Cricket&quot; festivals. These are held at least monthly, between May and the end of August, almost exclusively on Sunday mornings. The format of the festivals is simple: eight-a-side teams play [normally] three matches, with batters batting in pairs and runs being lost when wickets fall. Everyone gets to bat and bowl, and these are fun games.
